Date

By: MAINTENANCE FEE DEFICIENCY SUBMISSION

Dear Sir:

The large-entity issue fee for the above-identified patent application was filed on September 3, 1999 with a Change of Status Request indicating that small-entity status was no longer claimed. The 3.5-year large-entity maintenance fee for the issued patent was subsequently paid through Computer Patent Annuities on May 30, 2003 but was partially refunded by the United States Patent Office in September 2003 because the patent was, without any deceptive intent, and in fact, without error by the assignee, who withdrew its claim to small entity status when paying the issue fee (see attached

document), erroneously listed in their records under small-entity status. Pursuant to 37 CFR § 1.28(c), we respectfully submit a Credit Card Payment Authorization in the amount of \$465.00 for the maintenance fee deficiency, itemized in accordance with 37 CFR § 1.28(c)(2)(ii) as follows:

Fee Paid As Small Entity	Small Entity Fee Paid	Deficiency Amount Owed	Total Deficiency Payment Owed
3.5-Year Maintenance Fee (37 CFR § 1.20(e))	\$445.00 (after USPTO refund dated 9/2003 from initial large-entity payment of \$890.00 on 5/30/2003)	\$465.00	\$465.00

In the event we have miscalculated the fee deficiency, authorization is hereby granted to credit any overpayment or charge any underpayment of fees under 37 CFR § 1.17 to Deposit Account No. 50-0365.
